

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation. Please take action against Sinclair!

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But electioneering is not in the public interest - it is a tactic employed by the current Administration to reelect Bush.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. Thank you.
